Description

This mounting kit permits you to mount **LOGO!** and **SIPLUS®additions** type products as front panels (without this kit, they can only be mounted on DIN-rail).

The possible equipping:

Mounting kit 4PU:	1 piece	LOGO! (order number 6ED1 052-*) or SIPLUS additions (order number 6AG1 052)
Mounting kit 8PU:	1 piece	LOGO! (order number 6ED1 053-*) or SIPLUS additions (order number 6AG1 053-*) or
	up to 2 pieces	LOGO! (up to order number 6ED1 052-*-0BA**2**) or SIPLUS additions (up to order number 6AG1 052-*-2XB**2**)
Mounting kit 8PU:	1 piece	LOGO! (from order number 6ED1 052-*-0BA**3**) or SIPLUS additions (from order number 6AG1 052-*-2XB**3**) with
	up to 2 pieces	LOGO! extention module (order number 6ED1 055-*) or SIPLUS additions extention module (order number 6AG1 055-*)

By fitting of more units in one mounting kit it is necessary to strengthen these on the rear through a common top-hat rail (length of the top-hat rail = maximum width - 10mm).
