SIEMENS

Certificate

Declaration on the Origin and Steel Content of the Product

6GT20914LH50

We hereby confirm that the following product has been assessed with regard to its steel content and origin of materials. Siemens AG has verified the origin and processing of the materials used, based on supplier declarations and internal records. This document serves as an official confirmation for customs clearance purposes.

Steel Content Declaration:

☑ Steel is not contained in the product.

☐ Steel is contained in the product.

Siemens Material Number	Country of Melt & Pour (Country Code)	Containment of Steel (in €)	Containment of Steel (in g)
6GT20914LH50			

Country of Melt & Pour:
The original country where raw steel is first produced in a steel-making furnace in a liquid state and then poured into its first solid shape.

Siemens AG certifies that the provided information has been verified to the best of our knowledge, based on reasonable due diligence. Supporting documentation can be provided from Siemens AG upon request.
