Manufacturer	Siemens
Catalog number	6es5307-0mm11
Category	Industrial automation components
Product type	Industrial automation components
Status	Active product

Technical specification

Weight	14.51 kgs
Product Type	Fiber Optic Media Module
Module Type	Fiber Optic Media Module
Compatibility	IM 307/317
Weight	0.2 kg
Dimensions	15.2 cm x 2.5 cm x 12.7 cm

Description

The Siemens 6ES5307-0MM11 is a Fiber Optic Media Module designed for the SIMATIC S5 series, specifically for use with Interface Modules IM 307 and IM 317. This module enables high-speed, noise-resistant data transmission over fiber optic cables, enhancing the reliability and performance of industrial automation systems. It is particularly suitable for applications requiring robust communication in electrically noisy environments. The module is engineered for seamless integration with the SIMATIC S5 system, ensuring compatibility and ease of installation. Its compact design allows for efficient use of panel space, making it ideal for systems with limited space. The 6ES5307-0MM11 is a reliable solution for upgrading existing systems or expanding network capabilities in industrial settings.
