SIEMENS

Certificate

Declaration on the Origin and Copper Content of the Product

6XV18704UN25

We hereby confirm that the following product has been assessed with regard to its copper content and origin of materials. Siemens AG has verified the origin and processing of the materials used, based on supplier declarations and internal records. This document serves as an official confirmation for customs clearance purposes.

Copper Content Declaration:

☐ Copper is not contained in the product.

☑ Copper is contained in the product.

Siemens Material Number	Containment of Copper (in g)	Containment of Copper (in €)
6XV18704UN25	475.68	10.49

Siemens AG certifies that the provided information has been verified to the best of our knowledge, based on reasonable due diligence. Supporting documentation can be provided from Siemens AG upon request.
