Dimensions	480 x 300 x 20 mm
Weight	1.00 kg
Number of Slots	8 slots
Compatible Units	S5-115U/F model

Description

The Siemens 6ES5701-3LA13 is an expansion rack designed for the SIMATIC S5-115U/F programmable logic controller (PLC) system. This rack provides eight free slots, facilitating both centralized and distributed configurations. Manufactured in Germany, it has a net weight of approximately 1.44 kg and dimensions of 480 mm in length, 300 mm in width, and 20 mm in height. The product was discontinued on October 1, 2022, but remains repairable, offering a viable option for extending its existing utility in industrial settings. Repairing this unit can be advantageous over replacement, as it helps maintain current system integrity and reduces downtime.
